To whom it may concern

Dear Sir,

As Headteacher of Llangan Primary School, I am writing in support of the proposed Winchfield project at Craig Penllyn.

Penllyn and Craig Penllyn are a very close community with a great appreciation for their surroundings. There are already many events held in the village hall and if the proposed track were to be built, it could be used for running, cycling and other family events. As a school we are also keen to use this facility, as we sometimes walk the children over to the village to the park in the Summer Term

This is an ideal opportunity to develop this site and I can only assure you that we would be keen to use the facilities and opportunities it presented.

Yours faithfully,

Mrs M. Noyes
